Faith Home, Inc. | 144 Faith Home Road | Greenwood, SC 29649

For I was Hungry and you gave me something to Eat, I was Thirsty and you gave me something to Drink, I was a Stranger and you invited me In, I needed Clothes and you Clothed me, I was Sick and you Looked After me, I was in Prison and you came to Visit me. Truly I tell you, whatever you did for one of the Least of these Brothers and Sisters of Mine, you did for me.

Matthew 25: 35-36 (NIV)

### Our Mission

Faith Home works diligently to restore its residents to a life of sobriety and happiness. We encourage strong family relationships, and encourage residents to act as productive citizens in their respective communities. Our belief is that the solution to addiction can be obtained through Christ and the traditional 12-step AA and NA Programs. We work to build confidence in one's self through studying, sharing, and working together in a safe, loving, and supportive environment. The Faith Home is dedicated to the purpose of leading the addicted to victory through the Lord Jesus Christ.

### Programs Offered

- Eight-week in-residence program (graduates can request an additional two-week stay)
- Upon completion of the program, graduates can then apply for acceptance into the "Light House," an eight month transition program also located in Greenwood, S.C.
- If approved, a significant number of graduates continue their stay at Faith Home and serve as "Staff Members," generally for one year

### Our Impact

The Faith Home has a success rate of helping over 70% of its residents overcome their respective addictions.
